BRISTOL WAY SLOUGH SL1 3TD

ENVIRONMENTAL COMMITMENT

M J Hickey (plant hire) Ltd is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We will operate in compliance with all relevant environmental legislation and we will strive to use pollution prevention and environmental best practices in all we do.

M J Hickey (plant hire) Ltd practises the principles of the 3Rs:

REDUCE *waste where possible by thinking about what we buy and how we use it.*

REUSE *wherever possible by purchasing items such as oils that have been cleaned or by trying to find a second life for items such as paper and office stationery.*

RECYCLE *as the least preferred option of the 3Rs.*

We will:-

- integrate the consideration of environmental concerns and impacts into all of our decision making and activities,*
- promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner,*
- train, educate and inform our employees about environmental issues that may affect their work,*
- reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furnished products and materials where these alternatives are available, economical and suitable,*
- ensure all waste products such as used oils are disposed of appropriately to ensure no damage to the environment occurs,*
- maintain all plant and equipment to a high standard to ensure equipment operates efficiently and minimises emissions,*
- avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take all reasonable steps to protect human health and the environment when such materials must be used, stored and disposed of,*
- purchase and use environmentally responsible products accordingly,*
- where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency and spill response programmes,*
- strive to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy in light of our current and planned future activities.*
